

The Bank of Herrin is taking action beginning 12:00 pm today, March 17, 2020 due to the COVID-19(Coronavirus) health crisis. Starting at noon, we will offer drive thru service, with lobby service by appointment only. These are temporary measures based on the most recent recommendations from the Centers for Disease Control (CDC) and federal and state governments. We continue to offer all banking services by appointment and will monitor the latest updates in order to resume normal branch operations as quickly as possible.

The Bank of Herrin continues to remain a sound, well-capitalized bank that is ready to service our customer's needs. We are not limiting the services offered but are temporarily changing the delivery in a way that is consistent with social distancing guidelines. The Bank of Herrin offers several convenient ways to conduct your banking transactions:
